NEW LINE OF MECHANICAL HAND TOOLS

line
MARKET
line

the MARKETline range

MLL 1

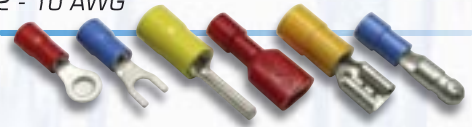

CRIMPING TOOL

New ergonomic toggle, reducing operator effort. Special treated carbon steel body.

Length: **247 mm - 9.27 in.**

Weight: **560 g - 1.23 lbs.**

Crimps insulated terminals:
size 0,25 - 6 mm²
22 - 10 AWG

Adjustable wheel for crimping pressure

Crimp releasing knob

Ergonomic plastic handles

Long arm for one or two hand operation

MLS 1

CRIMPING TOOL

Compact and handy, this tool requires limited effort due to optimal toggle ratio.

Length: **190 mm - 7.48 in.**

Weight: **354 g - 0.78 lbs.**

Crimps end sleeves:
size 0,25 - 6 mm²
22 - 10 AWG

MLS 2

CRIMPING TOOL

Compact and handy, this tool requires limited effort due to optimal toggle ratio.

Length: **190 mm - 7.48 in.**

Weight: **350 g - 0.77 lbs.**

Crimps end sleeves:
size 6 - 16 mm²
10 - 6 AWG

HB 8

CUTTER STRIPPER

Stripper range: size 0,2 - 6 mm² / 24 - 10 AWG

Length: **173 mm - 6.81 in.**

Weight: **201 g - 0.44 lbs.**

CUTTING: place cable between cutter blades and close handles fully.

STRIPPING: clamp prepared cable between front blades for the length to be

HB 7

AUTOMATIC WIRE STRIPPER

New, incredibly versatile.
STRIPS, CRIMPS, CUTS.

An easy to operate, professional quality tool designed for heavy-duty use.

Suitable for general wiring applications.

Stripper range: size 0,25 - 6 mm² / 24 - 10 AWG

Length: **205 mm - 8.07 in.**

Weight: **257 g - 0.57 lbs.**

HB 5

WIRE STRIPPER

Precise cutter & stripper with comfortable shape handles. Precision ground blades.

Stripper range: size 0,25 - 6 mm² / 22 - 10 AWG

Length: **165 mm - 6.5 in.**

Weight: **135 g - 0.3 lbs.**

ZP 2

MULTIFUNCTION CRIMPING TOOL

Application range:

- Wire cutter: size 0,75 - 6 mm² / 18 - 10 AWG
- Crimps insulated terminals: size 0,25 - 6 mm² / 22 - 10 AWG
- Crimps non insulated terminals: size 0,25 - 6 mm² / 22 - 10 AWG
- Bolts cutter M2,5 - M 5

Length: **230 mm - 9.06 in.**

Weight: **226 g - 0.5 lbs.**
