

SINGLE LICENCE GENIUSPRO-1L

Software

A decade of experience and implementation with the market-leading Genius software has enabled Cembre to set the next bench-mark in powerful printing software - GENIUSPRO.

Simple and intuitive, GENIUSPRO requires the operator to have only basic computer skills in order to access it's enhanced features - including a dynamic preview of full-size media providing immediate and accurate sight of the project in hand.

Made possible by the application of prestige software development tools, GENIUSPRO users are assured of increased capability and performance when printing text, symbols and images in colour and monochrome across the range of Cembre systems.
