Implications of COVID-19 pandemic

- In **2020** Cembre Group incurred the following additional costs:

| Amount | Description |
|------------------|--|
| 196,000 € | Implementation of COVID-19 prevention measures (purchase of personal protective equipment and of hygiene products, sanitisation of environments, antibody tests and flu vaccination for employees) |
| 18,000 € | equipment (thermal scanners) |
| 410,800 € | salary compensation(to partially compensate the reduction in wages that occurred during the furlough, used during activities lock-down period) and an attendance bonus for those who worked “in presence” during the 2020 lock-down period from March 23 to April 17 |
| 98,000 € | donations to institutions committed on the front line of the fight against the virus |
| 722,800 € | TOTAL COSTS |

- Cembre Group used for the first time in his history Government wages guarantee fund (Cassa Integrazione), but product deliveries have never been interrupted because the Group supplies railway and electrical companies

CEMBRE focused on these targets:

Business development thanks to:

- A **strengthening of CEMBRE competitive advantage** by developing **new products and continuous product range renewing** by an **intense R&D activity**
- Improvement of the distributor channel in foreign countries
- An **higher penetration in the foreign markets**, especially in the US and Germany
- A commercial commitment focus on **high growing potential products**

Cost management by a better operative efficiency obtained from economies of scale and process innovations;

Enforcing the manufacturing structure by investing in high-tech, highly-automated machinery.

The automated warehouse, located in a **4,800 m² industrial building** built in 2012, has been operating from January, 2013.

This automated warehouse is **3 time more efficient**, and has a 50% increase in end-product capacity warehousing compared to the previous automated warehouse that has been converted to stock raw material.

In 2018, a **new 9,600 m² industrial building** (two floors) started to be used, increasing the dimension of the production and parking area.

In January 2021 CEMBRE signed the convention for **additional 15,000 m² area dedicated to future expansion on the manufacturing plant.**

Cembre has been listed since December 1997, and is a part of the **Star Index** since September 2001.
